Recognition of Representation

Assumption College Warwick's P&F Association is committed to supporting our students' achievements by offering a \$200 co-contribution to those who reach representative levels whilst representing our college.

This initiative covers a wide range of activities, including sport, cultural, academic and spiritual pursuits, recognising the hard work and dedication of students who excel in their fields. This co-contribution is designed to assist families to offset costs associated with representing our college and enables our students to pursue excellence with the support of our community.
